*The Township (Building) Rules, CAP 101
Supp. 59 and
the Public Health (Sewerage and Drainage) Rules*

Permission is hereby given by the Town Council at a meeting held on
..... to of P. O. Box Babati
to erect a building as a
..... in accordance with Plan No.
(attached hereto) on Plot No. Block Babati/Town and with all
conditions imposed by the above Rules.

Date:

.....
**For: TOWN DIRECTOR
BABATI**

NB:

- (1) Two days before commencement of building works, notice must be given to the authority in writing that works will be started (In Accordance with rule 6 cap. 101).
- (2) The person to whom the authority has granted a permit to any building shall commence the same within six calendar months of the date of such permit. Should he fail to do so the said permit shall be deemed to have lapsed as if the same had not been given (rule 11 cap. 101).
- (3) No person shall occupy or suffer to be occupied any new building until such building has been certified by the authority to be in their opinion in every respect fit for occupation, or in the case of a domestic building fit for human habitation (Rule 14 cap 101).
- (4) Before proceeding to cover any sewer or drain or any foundation, dump course, reinforcement for concrete, floor joints, beams or roof timbers or any building, the person given permit must deliver upon the form to be obtained from the authority, two days previous notice in writing of the date of which work will be proceeded to cover up such sewer, drain, reinforcement or foundation (in accordance with rule 6 cap. 101).
